

**we've got
the answers**

**off-site
building
solutions**

Whether it's storage for toys and furniture, or classrooms for children, McAvoy can supply you with that additional space you need. We specialise in delivering instant educational fast-track building solutions in sales, hire or lease options. With the expertise and experience to take care of all the details, alongside a highly reputed customer service, McAvoy off-site building solutions will leave you free to focus on what you and your school do best - education.

flexible, adaptable spaces designed specifically for your school

Classrooms & School Complexes

McAvoy Education Systems are fitted out to your specific educational requirements. A popular choice for nursery, primary and secondary level classes alike whether the need is for a single classroom, small complex, or complete modular school.

Science and IT Rooms, Lecture Rooms and more...

McAvoy Education Systems offer the flexibility to adapt your space to suit your specific requirements whether its for a science room, IT room or even a lecture room.

Vandal Resistant Stores

McAvoy anti-vandal stores are the perfect solution for storing play equipment, furniture, admin records or books in a safe, dry environment. Your store can be manufactured and delivered in your chosen colour.

“ McAvoy deliver quality buildings and service. We are completely satisfied with the solution provided to us and their continued after sales support. ”

Michael F Boyce
Principal, Scoil Naomh Padraig, Emyval
County Monaghan
